

**2015 College National Finals Rodeo
COACHES REQUEST FOR CREDENTIALS &
CREDENTIAL POLICY**

- Two (2) coaches' passes are provided for each college/university with a team or individual qualified and entered for CNFR competition.
- Coaches without a CNFR qualified team or individual are not entitled to a pass.
- No coaches' credentials will be issued to anyone under 21 years of age.
- All abuses of credentials issued under the auspices of NIRA will be adjudicated by the CNFR Committee and the committee decision is final.
- CNFR coaches with credentials may purchase general admission season passes for \$60, which provides access to all performances and slack sessions. Saturday's final performance will be reserved seating only.
- Coaches' credentials do not allow access to any area in the rodeo facility other than coaches' seating or as specifically authorized by the CNFR.
- The NIRA National Office will not be issuing any coaches passes without prior notification. If our office does not receive the request before June 1, we will not issue a coaches pass. Also, we will issue only two passes per school this year, in the interests of security.

Please fax this request for credential form to the NIRA National Office before June 1, to (509) 525-1090.
